How can I volunteer?

Life Centers offers a variety of ministry opportunities

counseling

Counselors and crisis line workers listen to clients, explain the risks of abortion, and present Biblical answers. Our 21-hour training course equips you with lay counseling techniques and prepares you to reach women with compassion.

support services

Support services show women Jesus' love by providing diapers, maternity clothes, and baby care items. We need your help to sort, clean and stock donated clothing and supplies. Groups are welcome.

medical

If you are a certified ultrasound technician or an R.N. willing to be trained, your services are needed in our vital ultrasound ministry and other aspects of outreach to sexually-active women and those considering abortion.

administrative

Do you have a gift for behind-the-scenes service? Our centers and administrative office need volunteers for various tasks including data entry, handyman jobs, mailing assembly and assistance with special events.

church outreach

Local churches partner with us to embrace women and men who have heard the Gospel in our centers and need to connect with the body of Christ. LIFE Ambassadors are the links between their churches and the ministry.

prayer

Prayer Intercessors lift up individuals, specific centers and the ministry in prayer regularly. Faithful, committed prayer partners are needed to bring petitions to the Lord for the saving of souls and lives to His glory.

Our mission at Life Centers is simple – to save babies and transform lives.

Each year an average of 11,000 children are aborted in Indiana, affecting 1 out of 4 families who are left struggling with the scars caused by this life-altering decision.

But we trust that God, who breathes life into the unborn child, will breathe new life into every wounded soul who seeks him and trusts in Jesus Christ.

From the tiniest baby in the womb to those who walk through our doors, we have the opportunity to save babies and touch the souls of hurting people.

That's why we need you!
