

Getting involved

and celebrating life with

“Now choose life, so that you and your children may live and that you may love the Lord your God... for the Lord is your life...”

— Deuteronomy 30:19-20

The mission of Life Centers is to affirm the value of life by providing a network of care to those experiencing pregnancy-related crisis and by compassionately presenting biblical truth resulting in changed lives to the glory of God.

Bottles for Babies

Participating is simple: Pick start and end dates for your campaign (allowing 2–4 weeks in between). **Order and pick up** baby bottles from a Life Centers location. **Announce the fund-raiser** through provided bulletin inserts or screen images. Then **distribute** the empty bottles, fill them with coins, cash and checks, and **return** them. Life Centers counts the change and tells you how much you raised! Find more info and materials online at www.lifecenters.com/bottles-for-babies.html.

“Choose Life” License Plate

Support Life Centers while you drive! Just go online to www.lifecenters.com/choose-life-plate to get a “Choose Life” license plate. The cost of a specialty plate is \$40, and \$25 of that is a **donation** which goes **toward the pregnancy resource center in your county every year** your plate is registered. You will show others on the road that you support life while helping women in unplanned pregnancies choose life for their babies! Please consider encouraging others to purchase a plate.

These key volunteers commit to **one year** in which they recruit others to **participate in the mission, communicate with staff** through mail, e-mail, and occasional meetings, and **receive promotional material** and other resources. Life Ambassadors are equipped to serve as **valuable pro-life representatives** in Central Indiana. Find out more at www.lifecenters.com/life-ambassadors.html.
