Get Involved

We can't do this without you. Put your gifts to great use — there are so many different ways to get involved.

Medical Support

Baby Shower Host

Life Centers matches you with a client who chose life for her baby, and you provide gifts and host the event.

Church Partnership

Your local church can connect with women who have received the Gospel, participate in fundraising events, hold Bottles for Babies campaigns, host a speaker, and designate Life Ambassadors.

Life Ambassador

Serve as the link between your church, community, or school and Life Centers.

Special Events

Help with our annual fundraising events, such as the Walk + Run for Life in the fall and the Celebration of Life in the spring.

Support Services

We need men and women to assist with donated baby items at our Downtown Center. Some of the tasks needed are laundering clothing, sorting clothing according to size, gender and season, and cleaning/inspecting toys.
