He most recently served as the 17th Secretary of the U.S. Department of Housing and Urban Development. For nearly 30 years, Secretary Carson served as Director of Pediatric Neurosurgery at the Johns Hopkins Children's Center, a position he assumed when he was just 33 years old. ## Sponsorship

This annual event is our key fundraiser that helps Life Centers **save babies and transform lives**. Sponsorship helps us host the event and fulfill our ministry, but it also has many other benefits:

1. Sponsorship helps fund the ministry at each of our five pregnancy resource centers in the Indianapolis area.
2. Sponsorships are a great way to multiply dollars given to Life Centers. Your sponsorship might encourage others to also sponsor.
3. Sponsorship will benefit your organization or business. Your business will be listed and linked on our website, LifeCenters.com. We will provide a platform for recognition and referral that lasts well beyond the banquet.
4. Your sponsorship has value by providing you **preferred** seating and VIP access.

## Executive Director Letter

Dear Life Centers supporter,

You are receiving this information as someone who has been a sponsor of our annual Celebration of Life banquet in the past. We are very excited to welcome Dr. Benjamin S. Carson, our keynote speaker, at this year's banquet.

Within this document, you will find all of the necessary information regarding all levels of sponsorship. **My objective for all sponsors is for you to find value in being one of our sponsors.** I often hear from our supporters how much they appreciate seeing businesses and individuals step up and be out front in their support of this life changing ministry.

Not only will you find your sponsorship highlighted at the banquet, but all pre and post banquet communications will have your sponsorship highlighted. In addition, your logo will be present on our website for the next 12 months and it will be linked to your website.

Your sponsorship helps underwrite the cost of the banquet. This allows all of the money raised the night of the event to go directly to the day to day operations of the ministry.

Thank you so much for your consideration, and we hope to have you be a part of this special evening.

In Him,

Tom Shevlot
