An Evening For Life

*Keynote Speakers:
 Riley Gaines Barker &
 Louis Barker*

We are honored to welcome Riley Gaines Barker and her husband, Louis Barker, to this year's Life Centers Banquet. Riley Gaines Barker is a 12-time NCAA All-American swimmer, SEC champion, and University of Kentucky graduate who rose to national prominence as a leading advocate for fairness and integrity in women's sports. Since graduating, she has become a sought-after speaker, author, and media host, using her platform to champion the protection of opportunities for female athletes. Riley is also a woman of faith, a wife to her husband Louis Barker, and a mother. Together, Riley and Louis reflect a strong commitment to faith, family, and truth. Married in 2022 after meeting at the University of Kentucky, they continue to inspire others through their bold convictions and their trust in God's faithfulness. In 2025, they welcomed their first child, and their story is a beautiful reminder of God's goodness and the blessing of standing firm with grace and courage.

Your Generosity

This event is a key fundraiser for Life Centers that **save babies and transform lives** by helping women and men facing pregnancy-related decisions. Donations and funds received at this event will support the following initiatives:

1. **Free pregnancy testing, ultrasound services, and peer counseling** at all Life Centers' locations, giving women and men the clarity and medical support they need to make informed decisions.
2. Funds help stock our baby boutique with critical items like **diapers, wipes, bottles and clothing**.
3. Sustain our compassionate **post-abortion support groups and counseling**, helping women and men heal emotionally and spiritually after an abortion experience.
4. Support our **Purpose Driven Dad** ministry that fosters responsible fatherhood and promotes stable family environments through comprehensive care and biblical teachings.

Title Sponsor for Life Celebration Banquet

Executive Director Letter

Dear Life Centers supporter,
 As the Executive Director of Life Centers, I want to personally thank you for considering becoming a sponsor of this year's banquet, which allows us to provide hope, help, and life-affirming care to women and families facing pregnancy-related decisions.

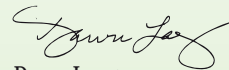

At Life Centers, we believe every life is created by God with purpose, and that family is central to His design. In a culture that often devalues children and weakens the family, your support helps us stand for life, strengthen parents, and equip families with truth, compassion, and practical care.

We invite you to partner with us for our annual banquet to celebrate life, our most important fundraising event of the year. We are honored to welcome Riley Gaines Barker and her husband Louis Barker as this year's keynote speakers. Their message on faith, family, and the vital role of parents strongly reflects the mission of Life Centers.

Your sponsorship or donation directly funds free services such as counseling, pregnancy tests, ultrasounds, parenting classes, and material support. These are not just programs, they are real help for families in critical moments.

Please consider sponsoring this year's banquet or making a special gift. Your generosity will help protect life, support families, and make a lasting impact in our community.

Thank you for your prayerful consideration. We would be honored to have you join us for this special evening.

Dawn Lang
 Executive Director
